

## **My Portfolio**

### **Financial Services Audit**

Over a 13-year period, I have successfully participated in, led, and managed audits within the financial services industry, ranging from banking to insurance, asset management, pensions, financial technology, and real estate companies. These businesses varied in complexity from straightforward audits to complex audits of clients with operations across Africa and North America.

### **Internal Audit Projects**

I have contributed to providing internal audit services to banks that outsourced their internal audit functions. These banks include:

- **Access Bank**
- **Guaranty Trust Bank**

Additionally, as an external auditor, I have audited the Federal National Mortgage Association, commonly known as **Fannie Mae**—a United States government-sponsored enterprise and, since 1968, a publicly traded company. My work involved issuing internal control reports over financial reporting under the **Public Company Accounting Oversight Board (PCAOB)**.

- Provided value-adding insights on **Internal Control Over Financial Reporting**.
- Developed practical solutions for the implementation of these insights.

### **IFRS Implementation**

With a thorough knowledge of accounting principles and regulatory requirements, including **US Generally Accepted Accounting Principles (GAAP)**, and a deep understanding of **IFRS** and **SEC** policies, I have contributed to the successful implementation of IFRS across various projects throughout my audit experience.

### **Trainings Conducted**

I have led, coordinated, and participated in over **300 hours** of training, covering:

- **Auditing and Accounting** principles.
- **Software** tools and technologies.
- **Time and Project Management** strategies.

The audience for these trainings ranged from trainees to senior partners, ensuring a broad transfer of technical knowledge and best practices.

### **Business Acumen**

In the past four years, I have co-ordinated business proposal responses and marketing strategies, which have facilitated a win of over **\$250,000** in revenue for the firm over the last three years.

### **Volunteering**

I am passionate about giving back to the community and have volunteered at the following organizations:

- **For Love of Children (FLOC):** Provides out-of-classroom educational services to Washington, D.C.'s under-resourced youth to help students succeed from second grade to college and beyond.
- **Tony Elumelu Foundation:** A philanthropic organization supporting entrepreneurship and sustainable development across Africa.
